

Nous remercions infiniment chacun des cent céramistes (classés ci-dessous par vitrines) pour le don de ses œuvres à l'Association Dialogue Céramique. Sans ces précieux 1000 bols, ce projet d'échange culturel international n'aurait pas vu le jour.

Our heartfelt thanks go to each of the hundred ceramists (classified here by showcase) for the donation of their work to the Association Dialogue Céramique. Without these 1000 precious cups, this international cultural exchange project would never have been possible.
